Galen -

Sorry, it took so long to get this disc to you. We put a lot of time and sweat into this garage and surrounding areas of the house. Hope you can use these pics with other customers - if it helps. Any questions, please call.

Thank you for all your help and patience. This was our first major construction project on our own and we really appreciated your prompt attention and advice.

We love our garage!

Thank you, again!!

- Daniel and Lisa McLaren -
