

Tenant Survey

Dear Tenant,

We are considering that the addition of covered parking might be something that you would find desirable. Your participation in this short survey will be helpful in the decision making process. Please take a moment to answer these questions and thank you in advance for your help.

Benefits of Covered Parking:

- Protection from the weather: sun, rain and snow.
- Offers residents an assigned space.
- Keeps vehicle paint away from direct sun and rain.
- Maintains a cooler interior in the summer months.
- Load and unload vehicle while covered from weather.

Survey Questions:

1. Would you be interested in a covered parking space for your vehicle? Yes / No

2. Would you pay extra to have a covered parking space for your vehicle? Costs vary, but you can expect \$20 to \$40 per month. Yes / No

We look forward to hearing your feedback. Thank you very much for your assistance.
